

THE  
**GRID**  
TABLE

The Grid Desk is designed using a geometric veneer that has been applied in sheets by hand. The desk is made by local craftsman in a small workshop in Sussex. We worked with the grid to guide us to this simple form.

The design can easily convert from a Desk or a Dressing table to a Console table by small alterations to the depth.

Material: 'Grid' Veneer

Desk or Dressing Table Dimensions (mm) W 1210 x D 572 x H 753

Console Dimensions (mm) W 1210 x D 350 x H 753
